~The Buddha

Highlights from Last Week's Report

"It is my great pleasure to welcome to The Solari Report an author who has written a book, which you've read the review on the blog. It's *Mary's Mosaic* and we're welcoming Peter Janney. I will say that not only is this one of the finest books I've read on the Kennedy administration and the death of the president and associates around him, but it's one of the finest books I've read on American history."
