Quick calculations show that our team is working nearly half the year to comply with and fund complex government requirements. I would like to be spending that time serving our subscribers or wandering the world. It’s easy to lose a sense of powerful purpose.

If you need some “break away” inspiration, this one is for you!

I will be posting the latest on *Money & Markets* on Thursday as well, so post and e-mail your questions for [Ask Catherine](#).

"Our theme tonight is Break Away 2014. That's what our poster is, that was the name of our Wrap Up. Because the big questions this year in the Equity Markets was 'how are big corporations going to maintain their earnings?'"
