## Unemployment Rate - Official (U-3 & U-6) vs ShadowStats Alternate

Monthly SA. Through Feb. 2014 (ShadowStats, BLS)

## Employment Statistics with John Williams

By Catherine Austin Fitts

This week on The Solari Report, John Williams of [Shadow Stats](#) joins me to address the *real* state of employment and household income in the US economy.

This is a BIG issue. The 2014 elections are about to make it an even bigger issue. There are now over 100 million people in the United States receiving means-tested subsidy. The labor participation rate is

at a 35 year low. And recent studies indicate that 40-50% of existing jobs are likely to be automated as a resulting of the application of new technologies.

How is this supposed to work? Does someone have a plan? If they do, I would certainly like to know what it is.

John and I dig into the “official statistics” to see what the hard facts are in employment trends and what it means for the road ahead.

## **Join Us at Secret Space Program & Breakaway Civilization, June 28th and 29th**

The Secret Space Program & Breakaway Civilization event in San Mateo, California in the San Francisco Bay Area on the weekend of June 28-29 will be memorable. I will be with Dr. Joseph Farrell, Richard Dolan and a wonderful group of speakers gathered to ask some serious questions about the “deep state” and what in the world is really happening. For anyone interested in understanding the most powerful invisible trends behind global geopolitical and financial trends, this one's for you!

See you there.

## **Highlights from Last Week's Report**

"In breakaway part one, two weeks ago, I talked about who; who was the breakaway civilization, and how it is organized from who is doing this point of view. Tonight in part two, I want to look at what it is. What does it mean in the different parts of the economy, what's being invested, and what are the risks?."
