## The Secret Space Program with Henrik Palmgren

*"If you don't inquire, you won't find out." ~ Henrik Palmgren*

By Catherine Austin Fitts

This week on The Solari Report I will speak with Henrik Palmgren of Red Ice Creations who will serve as moderator of [The Secret Space Program and Breakaway Civilization](#).

## From The Blog

**May 22**

Deep Survival with Laurence Gonzales

**May 29**

Music, Writing, and the Creative Process with Peter Guralnick

We will discuss why this conference and network of first-rate, serious speakers and researchers can make an important contribution to our understanding of the governance and financial systems in which live and function. In anticipation of the conference, The Solari Report agreed to make public our interviews with speakers [Richard Dolan](#) and [Joseph Farrell](#), which offer excellent background on these topics.

In *Money & Markets* this week I will discuss current events in the financial and news world.

In *Let's Go to the Movies*, I will review Stanley Kubrik's classic masterpiece *2001: A Space Odyssey*.

The Solari Coin is a one ounce, silver round designed by Ben Lizardi of [Lizardi Studio](#) and minted by the Northwest Territorial Mint. The coin design features a solar armillary (the Solari logo) on one side and the horsemen of the Knights Templar on the other side. This coin is representative of Solari's purpose: to align interests, protect, guide, and lead through troubled times. [Learn more here.](#)

## **Highlights from Last Week's Report**

"Well, welcome to the equity overview for the first quarter. I am glad to welcome Chuck Gibson, my partner at Sea Lane, and managing member of Financial Perspective. He needs no introduction on the *Solari Report*. Chuck, it's been a very interesting first quarter so we're going to start with a roundup, and then we're going to move into inner-market analysis. So first, let's start with the first quarter. Take it away."
