## Fresh Food, Yes! with Jeffrey Smith - June 5th

*"You can't just eat good food. You've got to talk about it too. And you've got to talk about it to somebody who understands that kind of food."*

*~ Kurt Vonnegut*

By Catherine Austin Fitts

This week on The Solari Report, Jeffrey Smith joins us again for the latest on protecting your access to affordable fresh food

## From The Blog

**June 19**

Megatrends with Jim Puplava

Jeffrey is the founder of the [Institute for Responsible Technology](#) and producer of the award winning documentary *Genetic Roulette*, winner of the Solari 2012 Movie of the Year. His books include: *Seeds of Deception: Exposing Industry and Government Lies about the Safety of the Genetically Engineered Foods You're Eating*, which is the world's bestseller on GMOs; and *Genetic Roulette: The Documented Health Risks of Genetically Engineered Foods*, which is the authoritative work on GMO health dangers.

As the leading consumer advocate working to protect you from the documented dangers of GMOs, Jeffrey is going to update us on the latest efforts by organic farmers, communities and activists in North America and globally and discuss what we can each do to ensure our personal food freedom. Always entertaining and rich with practical suggestions, Jeffrey is one guest you do not want to miss!

In *Money & Markets* this week I will discuss current events in the financial and news world. Make sure you post your questions on the blog or send by e-mail!
