The Mission of Solari...

Solari, Inc. is a private company. Our business is founded on the vision that bringing intimacy to how money works transforms our world. We do this by helping you learn to invest in people, communities, natural resources, and diversified enterprises that you and your networks know and trust in a manner that creates real wealth and security for yourself, your family, and your business.

This workshop is designed to provide hope for local sustainable prosperity during these difficult times. We will learn how to navigate the system to develop local investment strategies. "The Solari Opportunity is to shift wealth and power back into balance with the interests of families and communities in a manner that promotes excellence and the creation of new wealth. We do this by taking responsibility for our economy, by forming Solari Circles and -- where there is significant local business and citizen support -- new ways of circulating resources in our neighborhoods and networks."
