The Tapeworm: Central Banking - Warfare Economy

Our \$1mm portfolio - is it sound?

- **Zero Diversity**
 - Entirely dependent on US Federal Credit
- **Federal Credit is Unsound**
 - Heart of the Negative ROI System
- **What needs to grow to provide the investment yield?**
 - Warfare ... Dirty Money ... Facism ... Inflation ...
 - Depopulation ... IMF Workout ... Market Manipulation ...
 - Peak Oil ... Suppression of Technology ... IRS
- **What always happens in the end?**
 - Insiders are protected ... Outsiders thrown overboard

Let's look at all parts of our financial operations

- **Time and Attention**
- **Purchases**
- **Deposits and Debt**
- **Investments and Pension Funds**
- **Donations**
- **Taxes**

Where is the money in your neighborhood going?

Would YOU push the red button?

What Went Wrong?

Dow Jones vs. the Popsicle Index

	1950s	Now
Dow Jones Index	150	10,000 +
Popsicle Index	<i>Very High</i>	<i>Low</i>

What Went Wrong?

Centralizing the Financial Equity of a Place

	Before	After
Profile	100 small businesses & farms	2 big businesses
Retail Sales	\$100,000,000	\$100,000,000
Govt \$	\$50,000,000	\$50,000,000
Profits	\$10,000,000	\$10,000,000
Multiplier	1-5x	10-15x
Local Equity	\$10-50,000,000	\$100-150,000,000
Ownership, Expertise, & Control	90% locally owned	10% and declining

Our Greatest Leverage Point

How do we make money
turning the **Red** Button **Green** ?

Financial Intimacy

Who does your money touch?

Who is your Banker?

Who is your Farmer?

Who are your Investees?

Who is your Charity?

Who is your Municipal Leader?

Who do you trust with your *life*?

Your \$ is a power tool!

Financially Intimate Investing

	Global	Local
Liquid	<i>Example:</i> Stock in Alternative Energy Company	<i>Example:</i> CD in Local Bank
Non-Liquid	<i>Example:</i> Out of Town Real Estate	<i>Example:</i> Your Home

Think “cui bono” – who are your financial intimates?

Note: Nothing in this presentation should be taken as individual investment advice.

One Family's Portfolio Before & After Comparison

Example: *\$1mm portfolio*

	Tapeworm Portfolio	Financially Intimate
Local Non-Liquid	\$150k \$700k debt	\$ 550k \$0 debt
Local Liquid	25k	75k
Global Non-Liquid	---	200k
Global Liquid	825k	175k

Popsicle Index

Note: Nothing in this presentation should be taken as individual investment advice.
Anyone seeking investment advice should seek out and retain a qualified advisor.

One Family – After Financial Intimacy

Example: *\$1mm portfolio -- diversified and profitable*

Local Liquid

\$75k

\$5,000	Checking account/money market at well managed local community bank
20,000	CDs at well managed local community bank
10,000	Cash, silver and gold coins in deposit box
10,000	Cash, silver and gold coins at home
25,000	Publicly traded stocks for companies based in my area or region with leadership and products personally known to me or to people I trust
5,000	Local tax-exempt bonds of municipal agencies run by people we know and respect doing things that we believe raise our Popsicle Index

Think “cui bono” – who are your financial intimates?

Note: Nothing in this presentation should be taken as individual investment advice.

Anyone seeking investment advice for his or her personal financial situation should seek out a qualified advisor and provide as much information as possible so that such advisor can take into account all relevant circumstances, objectives, and risks before rendering an opinion as to the appropriate investment strategy.

One Family – After Financial Intimacy

Example: *\$1mm portfolio -- diversified and profitable*

Global Non-Liquid

\$200k

\$100,000	Gold and silver bullion in depository in Europe
90,000	Investment in land and cottage next to cousin's in-law's farm in Central America (High Popsicle Index, Low Cost)
<i>Expected</i>	\$25,000 Reserve for improvements to land and cottage (Currently held and counted in interest bearing accounts under Global Liquid)
<i>Expected</i>	\$25,000 Micro equity – Reserve to invest in cousin's in law's business and local businesses (Currently held and counted in interest bearing deposits at local bank in Central America under Global Liquid)
10,000	Angel investment in college roommate's wind farm company

Think “*cui bono*” – who are your financial intimates?

Note: Nothing in this presentation should be taken as individual investment advice.

Anyone seeking investment advice for his or her personal financial situation should seek out a qualified advisor and provide as much information as possible so that such advisor can take into account all relevant circumstances, objectives, and risks before rendering an opinion as to the appropriate investment strategy.

One Family – After Financial Intimacy

Example: *\$1mm portfolio -- diversified and profitable*

Global Liquid

\$175k

- \$25,000 Digital Gold and Silver
- 75,000 High Popsicle Index Places
- 25,000 Basket of Local Stocks and Local Bank CDs
- 50,000 Small and Mid-Cap Stocks – Focus On:
 - Decentralizing, sustainable solutions
 - Products & services that lower monthly expenses and/or increase self-sufficiency, promote good health, save time, make fresh food more available/affordable
 - Operations that are excellent on sustainable basis
 - Stocks of above available on an economic basis

Think “cui bono” – who are your financial intimates?

The Bottom Line

*Freedom cannot be bought with money;
individual financial security is not sufficient
to achieve personal freedom.*

*Freedom comes from profiting through
collaborative efforts to create
financially intimate networks and neighborhoods,
and to enjoy the wealth created.*

**Freedom begins with seeing
the diamonds in your own backyard!**
